Rules & Regulations

Event Time: #RosewoodCouples have access to the property from 12pm-10pm. At the end of the event, one additional hour is included for clean-up. Keep in mind that everything brought on-site for your wedding day must be removed the same night. If extra prep time is needed for hair/makeup or vendor set-up, access to the property is offered as early as 8am for \$300 an hour. In the event that you would like an extended reception, you can rent one additional hour from 10pm-11pm for \$800. After that time, everyone must be off the property. If you have a large amount of rentals (ex: draping, bistro lighting, etc.), we suggest purchasing extra clean-up time for \$250 an hour.

Decor: We are very excited to see your vision come to life! Here are a few guidelines to help you along in the planning process. Candles are permitted, however, open flames must be contained in a glass enclosure. The property must be left the way you found it. All decor must be temporary and not damage paint or cause holes in the wall.

Send-Offs: While all types of send-offs are photo worthy, the following are allowed at Rosewood Farms: bubbles, ribbon wands, and glow sticks. Confetti and rice are not allowed. Sparklers and fireworks are permitted, but with specific guidelines. Please refer to your agreement for specifics on these items.

Animals: Animals must be pre-approved and are only permitted while following certain guidelines. They are only allowed on the outside grounds unless prior approval is received in writing. Animals can be on-site for a maximum of 2 hours, must be on a leash, and their waste must be properly disposed of.

Clean Up & Damages: We pride ourselves on providing freshly cleaned and organized spaces. We ask that those spaces be left the way you found them, in order to best serve the next #RosewoodCouple. Our expectation is that your planner is responsible for decor set-up, clean-up, and organization of the Suite and Lounge. Lastly, you are responsible for all personal items to be taken out of the prep spaces. At the end of the night, a walk through will be conducted with the Venue Manager and planner to assess for damages and uncleanness.

Cancellation & Date Change: We understand that circumstances may arise that could result in the cancellation or rescheduling of your wedding at Rosewood. Please remember that all money paid is non-refundable. Should a reschedule be needed, there is a rebooking fee and the new date selected will be subject to the pricing structure at the time of rebooking.

FAQ

What is the required event insurance?

All of your vendors must have the proper insurance, but the most important people (you) need to be covered as well! Our minimum requirement is a \$1,000,000 liability with host liquor liability included, regardless of alcohol being served. Once the policy is purchased, we ask that you upload it directly to your portal.

What is a Venue Manager responsible for?

Your Venue Manager will be the first one in and the last one out on your wedding day. They will ensure that the grounds and buildings are maintained throughout the evening. Their main responsibilities on the day-of include regulating heating and air, adjusting lighting, and maintaining bathrooms. Additional responsibilities include the execution of any enhancements and the direction of your guests from one space to the other.

What can I expect for my Final Walk Through?

The Final Walk Through is typically one month before your wedding. You, your caterer, your planner, and a Rosewood Farms staff member are required to attend this meeting. We will confirm the general timeline, finalize your floorplans, and collect payment for your final invoice (ceremony chairs and enhancements).

When can I have my rehearsal?

One hour of rehearsal time is provided with your venue rental. We can start talking about scheduling your rehearsal 3 months before your wedding. A rehearsal on-site is based on our availability. If your desired date is not available, we recommend hosting your rehearsal off-site with your planner.

Can a vehicle be left overnight?

We always encourage safety first! If a guest needs to leave their car overnight, it may be left in our parking lot until 9am the following morning.

What is your smoking policy?

Smoking on the grounds is permitted in designated areas. These areas are away from the building entrances to be respectful of non-smoking guests.

Catering

Two of the most important aspects of your wedding are your venue and caterer.

For this reason, we have aligned ourselves with a handful of diverse caterers, one of which you are required to choose. Our caterers provide an excellent level of service, high quality food, and a customizable experience.

All menu considerations and invoicing is done directly through your caterer of choice. These caterers are full service, which means that they provide the hors d'oeuvres, dinner, servers, linens, and tableware.

Bar Services

To best serve our Rosewood couples with a premier experience, we have designed several bar packages to meet your needs. In addition to your beverage selections, each package includes glassware, ice, staffing, and the bar set-up. While on the premises, all alcohol must be provided by Rosewood Farms.

Vendors

Working with wedding professionals who have experienced Rosewood Farms is key for a stress-free wedding day. We work with a variety of vendors throughout the wedding industry and are happy to share them with you! Listed are excellent options that we know offer the highest value to our #RosewoodCouples. Choosing from this list is not required.

Keep in mind that each of your vendors must be properly licensed and insured.

Wedding Planning

To ensure your experience at Rosewood Farms is seamless, we require all of our couples to hire an approved wedding planner from our vendor list. We have included a variety of phenomenal planners that are familiar with the venue.

Your wedding planner will guide you through the entire process of planning your wedding.

They will coordinate between all of your vendors, help plan your ceremony and reception details, and make sure everything goes smoothly. The minimum requirement is a month-of coordinator (we recommend 6-8 weeks before the wedding).

Please notify Rosewood of who you've hired within four months of your event date.

Below are the tasks we expect all planners to perform for our couples while at Rosewood Farms:

Beforehand:

- Attend the Final Walk Through at Rosewood
- Design floor plans and layouts and send to Rosewood no later than 2 weeks before event
- Create and share a detailed timeline
- Work with you to finalize all details
- Create and share a detailed vendor list including contact info and social media
- Attendance and coordination of rehearsal

Day-Of:

- On-site for the entire time that the couple has rented the venue
- Be the point of contact for the entire day
- Management and execution of timeline
- Supervision of all vendor set-up
- Management of any event rentals
- Conduct decor set-up and clean-up
- Set up of your personal items (favors, programs, signage, escort cards, photos, etc.)
- Direction of wedding party and family during the ceremony and reception
- Tidying up The Suite and The Lounge after preparations
- Clean up of flower petals directly after the ceremony and sparklers after the send-off
- Management of gifts
- Ensuring personal items are taken home by the assigned guests
- Conduct breakdown and cleanup at the end of the night
